

Introducing Issues with Opposing Viewpoints

Relevant titles from Greenhaven Press®

Help younger students grasp complex topics

Grades: 7-10
Page count 112-144
Book size 6.5" x 9.25"
Library List: \$35.75 per volume.
20% Off! \$28.60 per volume.

FULL-COLOR Inspired by the highly acclaimed *Opposing Viewpoints* series, *Introducing Issues with Opposing Viewpoints* explores important issues by placing expert opinions from a wide range of sources in a unique pro/con format. Like its predecessor, *Introducing Issues with Opposing Viewpoints* promotes issue awareness as well as critical thinking. Even more user-friendly and accessible than its parent series, *Introducing Issues with Opposing Viewpoints* offers a wealth of information at a lower reading level, in a bright, engaging package. This appealing combination helps even more students grasp the controversies of our increasingly complex world.

Each anthology features 14-16 carefully edited, accessible articles that clearly express various perspectives on such topics as AIDS, alcohol, bullying, civil liberties, crime, globalization, religion in schools, students' rights, terrorism, violence, womens' rights and more.

Features of each volume

- Useful charts, graphs, and cartoons
- Attractive color photos that enliven the text
- Engaging fact boxes providing at-a-glance information
- Thought-provoking questions that focus on vocabulary and reading comprehension, enhancing each viewpoint and helping prepare students for the verbal sections of the SAT test
- Index
- Tools for further research, including annotated bibliographies, websites, and organizations to contact
