

Business Economics & Theory Collection

An InfoTrac® collection

RESEARCHERS WILL STRIKE IT RICH

Researchers will rush to the *Business Economics & Theory Collection* when they realize they won't have to pan long to find a wealth of relevant information. This online asset prevents users from having to sift through worthless yields from the open Web by offering instant access to full-text academic journals and magazines—with a strong emphasis on titles covered in the EconLit bibliographic index.

Powered by InfoTrac, *Business Economics & Theory Collection* includes over seven million articles, including coverage of Kiplinger Handbooks such as *Retire Worry Free*, *Switching Careers*, *Making Money in Real Estate*, *Financing College* and more. Researchers will also value the inclusion of exclusive video feeds from forbes.com highlighting current business news and interviews with CEOs and entrepreneurs.

Business Economics & Theory Collection yields valuable results for researchers who are:

- ✓ Starting a business
- ✓ Marketing a product
- ✓ Developing policy
- ✓ Analyzing trends
- ✓ Constructing economic models
- ✓ Investing for the future
- ✓ Researching rates
- ✓ And more

↑ The homepage features a clean and intuitive interface allowing users to quickly locate information.

An InfoTrac collection takes the guesswork out of searching. You select the content best suited to your users' needs. They can then quickly identify and retrieve results while enjoying a variety of options:

- Choose from Basic, Subject Guide, Publication or Advanced Search
- Search within results to target specific content
- Support a multilingual community by translating documents on-demand
- Create Search Alerts with RSS Export
- Manage documents in the collection by e-mailing, bookmarking or printing them
- Support the needs of remote researchers by providing 24/7 access
